Dear Mr. Sheppard:

The Division has received the certificates of deposit letter agreements issued by Eastern Utah Community Credit Union. We appreciate the efforts that have been put forth thus far. However, in order to gain Division approval, the completed, signed and notarized small mine reclamation contract for each site must be received. Please find it enclosed for completion and signature. The individual signing the contract must have such authority as granted by the company, Goldterra, Inc. Each of the reclamation contracts were emailed on December 4, 2006 and January 8, 2007. Please return each contract in original form to the Division, attention Minerals Regulatory Program. In addition, the Division has received the bank issued administrative hold letters via FAX. The Division must have the originals of which have not been received. Please inquire with the bank and request that they are mailed to the Division.

The Division appreciates your attentiveness and responsiveness in submitting the bank documents. Please promptly return the reclamation contracts and original administrative hold letters. If you have any questions or require discussion, please contact Ms. Beth Ericksen (801) 538-5318.

Sincerely,

for Susan M. White
